Copied and pasted from the YUSU website I see.

Couldn't someone at least write some commentary about it, and, I don't know, make it a news story?!

once again we have the same self-serving bunch of idiots trying to desperately fill out their CVs.

I predict they will all be ineffective and fail to complete their election promises despite being as vague as possible about them.

What a waste of time...

'anon as well'.. I don't remember reading 'anon as well' as a potential candidate. ALL meetings are open. Questions can be put to YUSU council, or ask them in person at UGMs to hold them to account. Stop whining. Too bad that you're too lazy to get involved and actually help these people who work so hard rather than shouting from the sidelines.

"once again we have the same self-serving bunch of idiots trying to desperately fill out their CVs."

And your attitude is the reason why this is possible in the first place. In a democracy, you get the politicians you really deserve, so I blame your cynicism and your holier-than-thou attitude for this. It is all your fault. Yours specifically. You bastard.

"I predict they will all be ineffective and fail to complete their election promises despite being as vague as possible about them."

I predict that you don't know what you are even talking about and that you are just angry because somebody pissed on your corn flakes.

Thanks for the support :) Let me know if you have problems with how I'm going about doing my job and I'll try to change. At any point in the next year, that is, as well. I'm certain the rest would also agree.

Who is ~J, please? He seems to imply that he is a YUSU official. Is it the President?
