

The Nouse Pub Guide 2015

By [Jack Richardson](#), Muse Editor (2015/16)

York is a city with literally hundreds of pubs. That sentence still makes me smile. Having over 200 in such a small area means you're unlikely to run out, but also raises the question of where to start, particularly during Freshers' Week. Unlike the clubbers, relegated to a few dark and sweaty (but not necessarily unenjoyable) boxes in the main areas of town, pub-goers are spoilt for choice before they even reach the city walls. No list can be complete or uncontested, but here are my personal favourites from my time at York so far.
